The Secretariat of the International Atomic Energy Agency (IAEA) presents its compliments to the IAEA's Member States and has the honour to draw their attention to the **First Training Course on Embedding Leadership Behaviour for Resilient Nuclear Performance** (hereinafter referred to as "event") to be held at the IAEA's Headquarters in Vienna, Austria, from **8 to 11 April 2025**.

The purpose of the event is to provide participants from nuclear organizations with an immersive experience that allows for the development of dynamic leadership and management capabilities, realized through practice, reflection, and feedback, that will foster greater resilience among nuclear organizations and industry. It serves as a 'train the trainer' opportunity, such that participants take their learning back to their home organizations and integrate similar trainings into existing nuclear leadership development programmes and those under development.

The attached Information Sheet provides further details of the event.

The event will be held in English.

Member States are invited to designate one participant for this event. Member States are strongly encouraged to identify women participants.

The IAEA is generally not in a position to bear the travel and other costs of participants in the event. The IAEA has, however, limited funds at its disposal to help meet the cost of attendance of certain participants. Upon specific request, such assistance may be offered to normally one participant per country, provided that, in the IAEA's view, the participant will make an important contribution to the event. Option 1: Request for funding without using the InTouch+ online registration portal: The application for financial support should be made at the time of designating the participant using the attached Grant Application Form (Form C). Option 2: Request for funding using the InTouch+ online registration portal: The application for financial support should be made via the InTouch+ platform not later than **7 February 2025**, as indicated in the enclosed Information Sheet.

It should be noted that compensation is not payable by the IAEA for any damage to or loss of personal property. The IAEA also does not provide health insurance coverage for participants in IAEA events. Arrangements for private insurance coverage on an individual basis should therefore be made. The IAEA will, however, provide insurance coverage for accidents and illnesses that clearly result from any work performed for the IAEA.

Designation without using the InTouch+ online registration portal:

Designations should be submitted to the IAEA through the competent national authority (Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) not later than **7 February 2025** using the attached Participation Form (Form A). Completed and authorized Participation Forms should be sent either by email to: [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org) or by fax to: +43 1 26007 (no hard copies needed). Copies should be sent by email to the Scientific Secretary of the event, Ms Lisa Lande, Division of Nuclear Power, Department of Nuclear Energy (Email: [L.Lande@iaea.org](mailto:L.Lande@iaea.org)) and to the Administrative Secretary, Ms Inessa Kovalenko (Email: [I.Kovalenko@iaea.org](mailto:I.Kovalenko@iaea.org)).

Option 2: Designation using the InTouch+ online registration portal:

Designations should be submitted to the IAEA via the InTouch+ platform (<https://intouchplus.iaea.org>) through the competent national authority (Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) not later than **7 February 2025**, as indicated in the enclosed Information Sheet.

The Scientific Secretary of the event will liaise with the participants directly concerning further arrangements, including travel details, as appropriate, once the official designations have been received.

The Secretariat of the International Atomic Energy Agency avails itself of this opportunity to renew to the IAEA's Member States the assurances of its highest consideration.
