

# **Train the Trainers Course on the Computer Security Modules of the Nuclear Security Training and Demonstration Centre's Training Activities**

**Nuclear Security Training and Demonstration Centre (NSTDC)**

**Seibersdorf, Austria**

**21 - 25 July 2025**

**Ref. No.: EVT2405606**

## **Information Sheet**

### **Introduction**

The Nuclear Security Training and Demonstration Centre (NSTDC) at Seibersdorf enhances the IAEA's Nuclear Security Programme, responding to requests from Member States for assistance with nuclear security challenges that require specialized technical infrastructure and equipment. The Division of Nuclear Security (NSNS) assists Member States to raise awareness of the threat of cyber-attacks and their potential impact on nuclear security by providing guidance, conducting computer security training courses and exercises, attending conferences and conducting webinars. The IAEA Member States assistance in computer security at NSTDC will benefit from integrated computer security features. The NSNS sections of Materials and Facilities (MAFA) and Materials Outside of Regulatory Control (MORC) will take advantage of an integrated information technology (IT) and instrumentation and control (I&C) infrastructure to raise awareness of computer security built into their training courses modules. This infrastructure will also be used for demonstrating cyber-attack with impacts to nuclear security facilities or to nuclear security events involving materials out of regulatory control.

### **Objectives**

The objective is to train trainers and instructors (subject matter experts) on the computer security training modules specifically developed for the Nuclear Security Training and Demonstration Centre (NSTDC).

## Target Audience

The event is designed for nuclear security professionals aiming to support IAEA computer security trainings for nuclear security. It involves appropriation of IAEA demonstrations and hands-on exercises. Therefore, participants must have a good knowledge of IAEA computer security guidance.

The event is open to 30 participants and will be held regularly.

## Working Language(s)

English

## Participation and Registration

All persons wishing to participate in the event have to be designated by an IAEA Member State or should be members of organizations that have been invited to attend.

In order to be designated by an IAEA Member State or invited organization, participants are requested to submit their application via the InTouch+ platform (<https://intouchplus.iaea.org>) to the competent national authority (Ministry of Foreign Affairs, Permanent Mission to the IAEA or National Atomic Energy Authority) or organization for onward transmission to the IAEA by **21 April 2025**, following the registration procedure in InTouch+:

1. Access the InTouch+ platform (<https://intouchplus.iaea.org>):
  - Persons with an existing NUCLEUS account can sign in to the platform with their username and password;
  - Persons without an existing NUCLEUS account can register [here](#).
2. Once signed in, prospective participants can use the InTouch+ platform to:
  - Complete or update their personal details under ‘Complete Profile’ and upload the relevant supporting documents;
  - Search for the relevant event under the ‘My Eligible Events’ tab;
  - Select the Member State or invited organization they want to represent from the drop-down menu entitled ‘Designating Authority’ (if an invited organization is not listed, please contact [InTouchPlus.Contact-Point@iaea.org](mailto:InTouchPlus.Contact-Point@iaea.org));
  - If applicable, indicate whether financial support is requested and complete the relevant information (this is not applicable to participants from invited organizations);
  - Based on the data input, the InTouch+ platform will automatically generate the Participation Form (Form A) and/or the Grant Application Form (Form C);
  - Submit their application.

Once submitted through the InTouch+ platform, the application, together with the auto-generated form(s), will be transmitted automatically to the required authority for approval. If approved, the application, together with the applicable form(s), will automatically be sent to the IAEA through the online platform.

NOTE: The application for financial support should be made, together with the submission of the application, by **21 April 2025**.

For additional information on how to apply for an event, please refer to the [InTouch+ Help](#) page. Any other issues or queries related to InTouch+ can be sent to [InTouchPlus.Contact-Point@iaea.org](mailto:InTouchPlus.Contact-Point@iaea.org).

Selected participants will be informed in due course on the procedures to be followed with regard to administrative and financial matters.

Participants are hereby informed that the personal data they submit will be processed in line with the [Agency's Personal Data and Privacy Policy](#) and is collected solely for the purpose(s) of reviewing and assessing the application and to complete logistical arrangements where required. The IAEA may also use the contact details of Applicants to inform them of the IAEA's scientific and technical publications, or the latest employment opportunities and current open vacancies at the IAEA. These secondary purposes are consistent with the IAEA's mandate. Further information can be found in the [Data Processing Notice](#) concerning the IAEA InTouch+ platform.

## **Expenditures and Grants**

No registration fee is charged to participants.

The IAEA is generally not in a position to bear the travel and other costs of participants in the event. The IAEA has, however, limited funds at its disposal to help meet the cost of attendance of certain participants. Upon specific request, such assistance may be offered to normally one participant per country, provided that, in the IAEA's view, the participant will make an important contribution to the event.

The application for financial support should be made together with the submission of the application by **21 April 2025**.

## **Visas**

Participants who require a visa to enter Austria should submit the necessary application to the nearest diplomatic or consular representative of Austria at least four weeks before they travel to Austria. Since Austria is a Schengen State, persons requiring a visa will have to apply for a Schengen visa. In States where Austria has no diplomatic mission, visas can be obtained from the consular authority of a Schengen Partner State representing Austria in the country in question.

## **Additional Information**

Six or more months after completion of training events, participants will be required to complete a short survey on the use of acquired knowledge and skills or a change in attitudes. This will assist the Division of Nuclear Security in understanding the impact of its work and will guide future assistance.

# Organization

## Scientific Secretary

### **Mr Christophe Pilleux**

Division of Nuclear Security  
Department of Nuclear Safety and Security  
International Atomic Energy Agency  
Vienna International Centre  
PO Box 100  
1400 VIENNA  
AUSTRIA

Tel.: +43 1 2600 26734

Fax: +43 1 26007

Email: [C.Pilleux@iaea.org](mailto:C.Pilleux@iaea.org)

## Administrative Secretary

### **Ms Flor Reyes Zuniga**

Division of Nuclear Security  
Department of Nuclear Safety and Security  
International Atomic Energy Agency  
Vienna International Centre  
PO Box 100  
1400 VIENNA  
AUSTRIA

Tel.: +43 1 2600 26514

Fax: +43 1 26007

Email: [F.Reyes-Zuniga@iaea.org](mailto:F.Reyes-Zuniga@iaea.org)

Subsequent correspondence on scientific matters should be sent to the Scientific Secretary/Secretaries and correspondence on other matters related to the event to the Administrative Secretary.
