Subject: Interregional Training Course on Safety Aspects of Small Modular Reactors (SMRs) and Other Innovative Reactor Technologies, Vienna, Austria, from 19 to 30 January 2026

Dear National Liaison Officer,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2023, “Supporting Member States' Capacity Building on Small Modular Reactors and Micro-reactors and their Technology and Applications as a Contribution of Nuclear Power to the Mitigation of Climate Change”.

The purpose of the event is to train participants in key safety aspects of small modular reactors and other innovative reactor technologies, namely water cooled SMRs, high temperature gas cooled reactors, sodium cooled fast reactors, lead cooled fast reactors, and molten salt reactors.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **7 November 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Jing Zhang', enclosed within a thin black rectangular border.

Jing Zhang
Programme Management Officer
Division for Europe
Department of Technical Cooperation
