Subject: Interregional Workshop on Energy Demand Analysis: Member States with small grids considering SMR deployment, Vienna, Austria, from 27 to 30 April 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2025, "Supporting Member States' Capacities on Small Modular Reactors, their Technologies and Applications (Phase II) as a Contribution of Nuclear Power to Climate Change Mitigation".

The purpose of the event is to present and demonstrate approaches in analysis of energy demand for countries with small(er) power grids that are interested in future deployment of Small Modular Reactors.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **28 February 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
