Subject: Regional Workshop on Regulatory Aspects of Industrial and Research Applications of Radiotracers, Sealed Sources and Nucleonic Control Systems, Yerevan, Armenia, from 7 to 9 October 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1023, “Harmonizing Implementation of Radiotracer and Sealed Sources Techniques for Efficient Use of Natural Resources and Environmental Monitoring”.

The purpose of this workshop is to discuss and share experience on regulatory requirements in the use of radiotracers, sealed sources and nucleonic control systems in industrial and research applications.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **24 August 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
