Subject: Virtual Regional Coordination Meeting on Enhancing the Use of Radiation Technologies for Improved Resource Efficiency, Vienna, Austria, on 23 and 24 February 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1024, “Enhancing the Use of Radiation Technologies for Improved Resource Efficiency”.

The purpose of the event is to review the progress made by each participating Member State (MS) and to deliberate on the programmes and activities to be implemented at the national and regional levels.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **23 January 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Meng Li
