Subject: Regional Meeting on Electricity Markets and the Energy Transition, Chisinau, Republic of Moldova, from 8 to 12 September 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER2018, "Analyzing Low Carbon Pathways towards an Ambitious Decarbonized Energy Sector by 2050".

The purpose of the event is to discuss the evolving role of electricity markets in the energy transition, focusing on regional realities, market design challenges, and sector integration, while facilitating knowledge exchange among policymakers, system operators, and stakeholders.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **6 July 2025** through the IAEA's InTouch+ platform (<a href="https://Intouchplus.iaea.org">https://Intouchplus.iaea.org</a>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Meng Li
