Subject: TC Sponsored Participation: 11th Balkan Congress of Nuclear Medicine, Skopje, North Macedonia from 30 May to 2 June 2024

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates for the TC **Sponsored Participation** to attend the 11th Balkan Congress of Nuclear Medicine within the framework of the IAEA technical cooperation project RER6041, "Enhancing and Harmonizing Nuclear Medicine and Diagnostic Imaging Capabilities".

The purpose of the event is to provide information on the most recent advances and practices in the fields of molecular imaging and therapy with radionuclides, , exchange insights, fostering opportunities for collaboration of the Nuclear Medicine Practice in the region.

The attached Information sheet provide further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide selected participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Skopje or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **13 March 2024** through the IAEA's InTouch+ platform (<u>https://Intouchplus.iaea.org</u>). Should this not be possible, applicants may download the Nomination Form for the course from the <u>IAEA's webpage</u>. Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address <u>Official.Mail@iaea.org</u>, with copy to Ms Mayumi Yamamoto, <u>M.Yamamoto@iaea.org</u> and Ms Angie Mieses <u>a.mieses-concepcion@iaea.org</u>. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto Programme Management Officer Division for Europe Department of Technical Cooperation
