Subject: 13th Balkan Congress of Nuclear Medicine, Sofia, Bulgaria from 23 to 25 April 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) will sponsor participants to attend the **13th Balkan Congress of Nuclear Medicine** within the framework of the IAEA technical cooperation project RER6044, "Strengthening Nuclear Medicine Diagnostic Imaging and Therapeutic Services in Europe and Central Asia".

The purpose of the event is to provide updated information on the most recent advances and practices in the fields of oncology, cardiology, endocrinology and other fields of human medicine, exchange insights, fostering opportunities for collaboration of the Nuclear Medicine Practice in the region.

The attached information provides further details. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide selected participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Sofia or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **27 February 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
