Subject: Regional Training Course on Isotope Hydrology, Dushanbe, Tajikistan, from 26 to 30 May 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER7017, "Ensuring Water Availability in a Changing Climate".

The purpose of this event is to train the participants on guidelines for the application of conventional hydrological techniques and isotope methods to improve water resources assessment and management.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **24 March 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
