2026-06-17

Subject: Regional Training Course on the Field Measurements for Isotope Hydrology Studies, Qormi, Malta, from 12 to 16 October 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER7017, “Ensuring Water Availability in a Changing Climate”.

The purpose of the event is to train participants to plan and conduct groundwater sampling and basic data analysis in isotope hydrology applications.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **17 July 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Sibel Unlu

Programme Management Officer

Division for Europe

Department of Technical Cooperation
