Subject: First Steering Committee Meeting, Vienna, Austria, from 26 to 30 January 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164, "Building Capacity for Radioactive Waste Management".

The First Steering Committee (SC) for the IAEA Technical Cooperation Project RER9164 aims to provide strategic guidance, oversight and support for the successful implementation of the project objectives. The committee will ensure effective coordination among stakeholders, monitor progress and address any challenges that may arise during the project lifecycle.

As agreed during the Project Kick-off Meeting held in 20-22 February 2024, the First Steering Committee meeting will gather the Counterparts of Azerbaijan, Georgia, Czech Republic, Cyprus, Estonia, Hungary, Malta, Republic of Moldova, Portugal, Türkiye and Ukraine.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **28 September 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
