The Provisional Technical Secretariat of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization presents its compliments to the States Signatories and has the honour to announce that it is planning to hold an Infrasound Technology Workshop at Yuseong-gu, Daejeon, Republic of Korea from 8 to 12 October 2012, jointly with the Korea Institute of Geoscience & Mineral Resources (KIGAM).

The purpose of the Infrasound Technology Workshop is to create an international forum for presenting and discussing recent advancements in infrasound research and operational capabilities of global and regional networks.

The topics that will be covered during the Workshop include Infrasound Instrumentation, Modelling, Data Processing, Network Detection Capabilities, Analysis of Infrasound Sources, Infrasound Station Performance as well as Civil and Scientific Applications of Infrasound.

The Provisional Technical Secretariat of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization avails itself of this opportunity to renew to the States Signatories the assurances of its highest consideration.

<b>Title</b>	<b>Infrasound Technology Workshop 2012 (ITW2012)</b>
<b>Objectives</b>	<p>The purpose of the Infrasound Technology Workshop 2012 is to create an international forum for presenting and discussing recent advancements in infrasound research and operational capabilities of global and regional networks.</p> <p>The main themes of the ITW2012 will be:</p> <ol style="list-style-type: none"> <li>1. Infrasound Instrumentation</li> <li>2. Infrasound Modelling</li> <li>3. Infrasound Data Processing</li> <li>4. Infrasound Station Performance &amp; Network Detection Capabilities</li> <li>5. Analysis of Infrasound Sources</li> <li>6. Civil and Scientific Application of Infrasound</li> </ol> <p>As always, additional CTBT-related contributions are also welcome.</p>
<b>Location</b>	Yuseong-gu, Dajeon, Republic of Korea
<b>Dates</b>	8 - 12 October 2012
<b>Language</b>	English
<b>PTS Point(s) Of Contact</b>	<p>Mr. Belkacem Djermouni Head, Training Unit Capacity Building and Training Section International Data Centre Division CTBTO Preparatory Commission P.O. Box 1200, A-1400 Vienna, Austria Tel: +43 1 26030 6312 Fax: +43 1 26030 5973 Email: <a href="mailto:Belkacem.Djermouni@ctbto.org">Belkacem.Djermouni@ctbto.org</a></p>
<b>Participants Profile</b>	<p>The workshop is aimed towards all scientists, engineers and other persons involved in infrasound technology and related fields.</p> <p>Please be informed that the Provisional Technical Secretariat will solicit presentations and posters from participants on the topics of the Workshop.</p>
<b>Application Procedures</b>	<p>Applicants are requested to complete the enclosed registration form(s) and forward it to the Point of Contact by latest <b><u>31 July 2012.</u></b></p> <p>State Signatories wishing to nominate experts are requested to inform the Provisional Technical Secretariat (See Point of Contact) through their respective Permanent Mission.</p>

<b>Registration Form</b>	<p>Nominees should indicate in the registration form whether they intend to submit a poster or a power-point presentation relevant to the objectives of the Workshop.</p> <p>No registration fee will be charged</p>
<b>Deadline for Applications and Abstracts</b>	<b>31 July 2012</b>
<b>Financial Information</b>	<p>Travel costs, daily subsistence allowance, health insurance, etc must be borne by the participants</p> <p><b><u>Participants from Developing Countries</u></b></p> <p>The Provisional Technical Secretariat will support the travel and daily subsistence allowance for a limited number of participants from developing countries who intend to present an invited presentation or poster that is relevant to the objectives of the Workshop. In this regard, the Provisional Technical Secretariat will make arrangements for issuance of economy flight tickets, health insurance and hotel bookings for subsidized participants.</p>
<b>Co-organizers</b>	Korea Institute of Geoscience & Mineral Resources (KIGAM).
<b>Other Pertinent Information</b>	<p><b><u>Presentations</u></b></p> <p>PowerPoint presentations shall not exceed 20 minutes. Posters should be in either A0 or B1 format.</p> <p><b><u>Visas</u></b></p> <p>Participants should apply for visas, if needed, at the corresponding consular office upon receipt of an acceptance Note Verbale from the Provisional Technical Secretariat, in order to ensure timely processing. The Provisional Technical Secretariat will provide personal invitations to visa applicants.</p> <p><b><u>Health/Accident Insurance</u></b></p> <p>It is strongly recommended that prior to departure all participants should acquire health and accident insurance for the duration of the workshop.</p>
